## REGISTRATION

Registration will be inside the main doors of Becherer Hall. Teams will register according to the school they are from. At registration, the teacher leader will receive participation certificates and each team will draw a number. That number will determine where each team will sit during the competition.

If you have a team member who becomes ill or can not compete on the day of the competition, you may replace that team member with another student. Please notify us at registration of any changes.

The competition will start at 8:50am so we can finish by 2:30pm. If you are going to be late or are unable to make the competition, please call Leigh Ann Schroeder on her cell phone 563-320-5281. Teams that are late will not be given extra time to complete the activities.

Each team should bring their team label to the competition. The team label should include the team name (same team name as on the roster sheet). Be as creative and unique as you wish. *Please do not bring any other materials to the competition.* All supplies needed for the activities will be provided.
