Becherer Hall

In addition to the Mansion, the Rivermont campus includes Becherer Hall. Built in 2001, Becherer Hall is a modern facility offering an auditorium with seating for 330 with complete audio/visual capabilities, as well as Central Hall, accommodating up to 160 guests for a seated dinner.

Gymnasium

Attached to Becherer Hall, the Gym is a wonderful space for volleyball, badminton, or basketball clubs.

Kitchen Facilities

A full kitchen is located in Becherer Hall and often referred to as “one of the best!” by local caterers. A small kitchen is located in the Mansion; while not suitable for food preparation on a large scale, it’s perfect for keeping hors d’oeuvres warm or cold as well as preparing trays.
