

Subject: COVID-19 Update
Date: November 11, 2020

We continue to have stable in person learning at Rivermont Collegiate with no current positive Covid-19 cases reported for students or teachers.

We have, however, one Covid-19 Contact in which a teacher, while not testing positive, may have been exposed to a Covid-19 positive person and is isolating for the full time period suggested. No student was exposed.

We have one administrator who has tested positive for Covid-19 and is quarantining at this time. The family of the administrator is isolating for the full contact isolation period.
