

Subject: COVID-19 Update – Middle School
Date: April 29, 2021

Dear parents of the 6th and 8th grade classes,

Two Rivermont students, one in the 6th grade and one in the 8th grade, were kept at home this week because of a contact with a person with possible Covid-19 symptoms. We appreciate the conscientiousness and cooperation of the family in this abundance of caution. The contact has tested positive for Covid-19, and therefore the students will continue in a full quarantine period.

Following CDC guidance and Scott County Health Department review, no Rivermont student or teacher was a Covid-19 close contact of the students, meaning there was no risk to our masked students or teachers.

Our contact tracing, masking, distancing, and hygiene efforts continue to safeguard our Rivermont student body.

Please feel free to call me at school or on my cell listed below at any time.
